**1. Is the soul passed from one generation to another by procreation, or does God create each soul directly and immediately?**

**Traducianism, from L. “traducere” meaning to transfer. This view teaches that both the material body and the immaterial soul are transmitted through physical procreation. This position was first developed by Tertullian, AD 155–220**

**Creationism: This view teaches that only the body is generated through physical generation, the soul is directly created by God.**

**Hence, for Creationists, the body is created by God INDIRECTLY through intermediate means and the soul is created DIRECTLY by God through mediate means.**
