Music: 13th century spring carol

Unto us a Child is born,
And a Son is given,
"God with us" ("Immanuel"),
Of Messiah written;
Jesus Christ, eternal God,
Over all transcending,
Came to offer fallen man
Life with Him unending.

Image of the unseen God,
One with Him in essence,
He th'Immortal Word became
Mortal flesh yet sinless;
Jesus came to bear our sins,
Who had wrought creation;
He alone could pay the debt
For our great salvation.

Worthy is the Lamb once slain
From the world's foundation,
For He has redeemed mankind,
Tribe and tongue and nation.
Ev'ry knee to Him shall bow,
Ev'ry tongue confess Him;
Heav'n and earth shall sing His praise:
Honor, glory, blessing!
