

**Basic Pricing Information on the Dean Bible Ministries Bible Lands Trip
May 19–30, 2025 Greece/Italy**

I know that the main thing many of you wish to know is the cost. One of the reasons we've been delayed is due to the uncertainty with the war in Israel. So, we've opted for a Bible Lands tour to Greece/Italy for 2025.

The quotes are per person, double occupancy. Since I cannot predict how many we will have, I give the cost based on the number who sign up to go.

Based on 20 paying passengers	\$7698
Based on 25 paying passengers	\$7660
Based on 30 paying passengers	\$7620
Based on 35 paying passengers	\$7595

*For a single supplement (those not sharing a room) an additional \$1700

***Deposit: There will be a \$500.00 refundable deposit (until one month before departure). PLEASE do not send this in until after 1 Jan 2025, for our accounting purposes. Fifty percent of the remainder will be due on 1 February, and the remaining balance by 15 April.
